#### About Newlogic:

Newlogic, Inc. helps clients define, design and develop innovative products by combining technology, user needs, and market opportunities. Based in Newton, MA, the firm was founded in 2002 by Marc Drucker, an award-winning designer whose clients include the U.S. Army, the U.S. Postal Service, Hewlett-Packard, Johnson & Johnson, DIAL, Qualcomm, Butler Home Products, and Honeywell. Newlogic offers consulting expertise to the medical, technology, government and consumer sectors. Visit our website at [www.newlogicusa.com](http://www.newlogicusa.com) or call us at 617.233.8449.
